

H.S. ELECTIVE COURSE FEES 2011-12

In addition to the student activity fees that apply to entire grades, there are some fees that are charged for individual courses. If your high school student is enrolled in any of the following classes, you will receive a separate invoice for those fees. We will wait until all the class lists are finalized before sending out invoices (approximately the first part of October). The fees are based upon the cost of consumable supplies and field trips that are part of the curriculum. PE fees are to pay for activities that take place outside the school facility.

In addition, athletic fees are charged if your child joins a team. These fees help offset the extra costs involved in extra-curricular teams. The following fees will be charged at the time your student joins a team.

ATHLETIC TEAM	FEE
Junior Volleyball or Basketball (usually grades 9 and 10)	\$100-\$150
Senior Volleyball or Basketball (usually grades 11 and 12)	\$150-\$200
Track & Field	\$25

If the senior teams go to Provincials, extra fees will be charged (typically \$75-150, depending on the location of the tournament).
